SECTION B: ENGLISH LANGUAGE & BUSINESS COMMUNICATION

3. In email what does bcc stand for
 - a. Before carbon copy
 - b. Blind Carbon copy
 - c. Backup carbon copy
 - d. Best carbon copy
4. One month after the US carried out an attack in Venezuela to capture its president, civilians in the South American country remain caught between uncertainty and expectations of governmental change.
Some believe the ouster of strongman leader Nicolás Maduro offers a glimmer of hope for rebuilding institutions and guaranteeing citizens' rights. Others question whether this new phase – which the US and the government of acting President Delcy Rodríguez call a “transition” – will lead to democracy or if the change they hope for will stay on hold.

The days since the raid on Maduro's compound have felt slow and difficult, according to one woman who saw the explosions from a distance with her boyfriend. The woman, a bioanalyst who lives in eastern Caracas and who asked to remain anonymous for security reasons, said she was still recovering from the ordeal. She doesn't go out at night and suffers from anxiety, especially if she hears fireworks or loud noises. She said she is paying close attention to the situation in the country and waiting to see if a fundamental change is possible. "A real one," she said.

- A. What is the name of captured Venezuelan president?
- Nikkei Maduro
 - Nicolás Maduro
 - Delcy Rodríguez
 - Caracas
- B. Why the people of Venezuela feel that there is no democracy there?
- Because there is a President and not a Prime Minister
 - Because the US has appointed the President and is influencing the policies.
 - Because the election is pending
 - Because their President has been captured by US.
